The following requirements are issued directly from Curacao Immigration office, your compliance with these terms ensures a smooth functioning of application.

The following documents will be used to apply for a landing permit that will allow you to remain on the beautiful island of Curacao as a temporary student resident while you complete your basic science courses at Caribbean Medical University.

Once you have completed ALL the necessary documents, please scan and email a copy of your packet to our Immigration department for pre-approval. Once you receive written approval of your completed package, you can then mail the original packet along with all the ORIGINAL documentation to our administrative office in Curacao.

To proceed with your application at CMU, you must submit all ORIGINAL documents and complete the payment for the Immigration document processing fee. Once we have received all the necessary documents and the fee has been paid, we will promptly submit your packet.

To ensure that your application is accepted by Curacao Immigration and your landing permit is issued promptly, it is vital that you strictly adhere to all the instructions provided below. Please pay close attention to any **highlighted** instructions.

Carefully review all instructions provided and print out a copy of the checklist mentioned below. This checklist will serve as a helpful tool to ensure that all necessary documents are complete and signed.

Please note that to be able to access these forms you must log in with your MYCMU e-mail

Don't hesitate to contact us with any questions or concerns.

Sincerely,

PROCESS FOLLOWING SUBMITTAL.

After the immigration documents have been submitted to the immigration office and have been accepted, they will issue a proof of submittal. After the proof of submittal has been issued, it can take a maximum of 4 months for the temporary student residence permit to be completed. When the permit is ready the immigration office will issue a landing permit.

Step 1. To collect the temporary student residence permit, the student needs to go to the immigration office with the following documents:

- Original valid passport
- Original submitted birth certificate.
- Original police clearance
- Landing permit
- Enrollment letter (issued by the university)
- Waiver (issued by the university)
- Proof of health insurance

Step 2. After the permit is collected, it must be registered at the Civil Registry 'Kranshi'. To register the permit, you need the following:

- Original Temporary Student Residence Permit
- Original valid Passport
- Original Birth Certificate, less than 1-year-old. Apostilled accordingly.
- Enrollment letter
- Housing Rental contract

Step 3. Once the permit is registered at the Civil Registry, you can apply for the ID-card, also known as the 'Sedula'. On your appointment date you must bring the following:

- Proof of registration
- Original passport
- Original permit • Naf. 15,-

RENEWAL OF THE TEMPORARY STUDENT RESIDENCE PERMIT

The first permit is usually granted for a period of 1 year. For US passport holders, it is granted for a minimum of 3 years.

The student should start the renewal process 3 months before the expiration date of the current permit. Documents necessary for the renewal are the following:

- Model 1 form
- Student Statement form
- Authorization form
- Copy stamp passport.
- Copy current student permit.
- Proof of sufficient funds (Bank statement in your name with at least \$6600 available in the account) In case of sponsorship, the sponsor must provide the bank statement with sufficient funds, a copy of the passport and a sponsorship letter. The process of registration of the permit and ID card following the renewal is equal to the process after the first petition of the temporary student residence permit.

IMPORTANT

Curacao Immigration takes about 6-16 weeks to process a complete application. This does not include the time it takes to collect and complete all above listed documents.

Documents will not be submitted until the following fees have been paid:

- *Seat deposit and registration fee (\$1075)*
- *Immigration processing fee (\$390)*

Please note; if you arrive on the Island without your landing permit from Curacao Immigration, you **MUST** have a return ticket booked with the return date being within the time frame possible in your country.

If you do not have a landing permit and do not have a return ticket booked within the time frame, you may be denied entry into Curacao and sent home.
